### **Forward-Looking Statements**

Statements included herein may constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, which relate to future events or our future performance or financial condition. These statements are not guarantees of future performance, condition or results and involve a number of risks and uncertainties. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in our filings with the Securities and Exchange Commission.

Nothing in this press release constitutes an offer to sell or solicitation of an offer to buy any securities of Ares or an investment fund managed by Ares or its affiliates.

Ares was selected to be on a short list of nominees for the award referenced above by the global editorial teams of PEI, PDI and Infrastructure Investor and was selected as the winner of the award through a voting process by thousands of PEI, PDI and Infrastructure Investor readers. The selection of Ares to receive the awards was based in part on subjective criteria and a limited universe of candidates, and therefore there can be no assurance that a different global editorial team or voters might not have selected other firms or transactions as the winners. The information provided above is solely for informational purposes; performance, awards or ranking noted herein relate only to the selected funds/strategies and may not be representative of any given client’s experience and should not be viewed as indicative of Ares’ past performance or its funds’ future performance. All investments involve risk, including loss of principal.
